

Thanksgiving assignment:

Name: \_\_\_\_\_

Dear Tester: Students are required to identify at least 25 items (foods, etc.) found on the table during their Thanksgiving meal. This is a fun way to bring Spanish more to life. Please check off all of the words from the following list that students identify for you. **Students do not need to know all of the words, just those that are served or used as part of the meal.** If there are foods which do not appear on this list, the student will look it up and write it on the paper below.

**If students can name everything on the table, please write a note under your signature as they will receive bonus points.**
