Activity (Include as much information as you can fit)	Date	Time Spent	Please calculate and fill in points earned by looking at the Mastery points ideas sheet.
Fill in total of points earned in cultural category here: (max. 25 per term)			Total cultural points (minutes): _____

Please write on the back of this sheet if needed for additional activities. Students desiring an "A" or "B" grade are expected to do 250 mastery points each interim (500 per rotation). The record of these activities may be turned in anytime prior to the last day of the grading period. I encourage you to look at the list of mastery-point activities and find something that is exciting to you and will help you progress in the language. *Mastery points are awarded for out-of-class work. Assigned homework or studying for Spanish class does not count as mastery points.* In addition, you may not "double-up" mastery point activities (reading while watching T.V. at the same time, etc.) I do not intend for mastery points to be busy work, but rather an introduction to the incredible world of the Hispanic culture and language. Choose something interesting!

As a member of the Hawken community, I certify that I have honestly completed the activities listed above with their corresponding times. (Violations will be referred to the HIC.)

Student signature (required)
